

Maps of Winter Duck Survey Areas

Contains Ordnance Survey data © Crown Copyright and database right 2013. <http://www.nationalarchives.gov.uk/doc/open-government-licence>

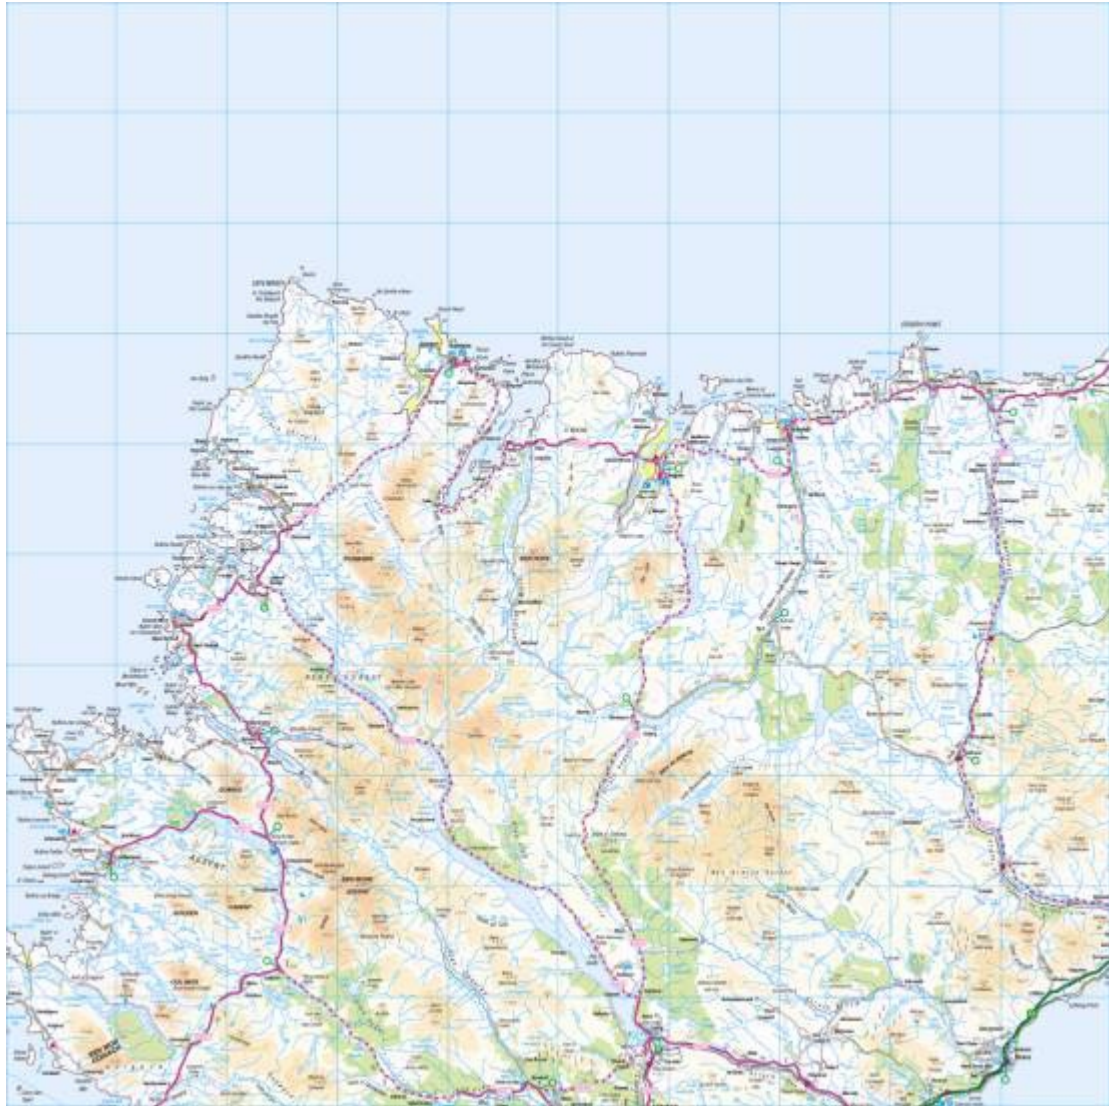

Maps of Northwest and North Scotland are included below covering the survey areas in five 100km x 100km squares having a 10km square grid overlay to assist in identifying locations.

Map grid arrangement giving inter-relationships between the maps is:

NB	NC	ND	Map references for site locations are given as four-figure numbers
NG	NH		referenced from the bottom left-hand corner of each map. For instance on map NB Stornoway is approximately at NB 4234 measured as 4.2 squares horizontal and 3.4 squares vertical using the grid structure.

Map NB: Outer Hebrides (part) and Summer Isle. The only locations referenced within the reports are in the bottom right-hand corner adjacent to the Summer Isle.

Map NC: North and Northwest Scotland - Cape Wrath, Farraid Head, etc

Map ND: North Coast, eastern part - Thurso, etc

Map NG: West coast - Loch Torridon area

Map NH: Central Highlands, relevant locations referenced in the reports are in the top left-hand corner - Loch Broome
