

**ANNEX I TO  
RAFOS/SEC/19  
DATED 22 NOV 19**

**NEWSLETTER PRODUCTION MANAGER'S REPORT**

The RAFOS Newsletter is currently printed by Air Media based at RAF High Wycombe.

At time of writing, 77% of the membership currently opt for the printed version of the RAFOS Newsletter. It is hoped that going forward, members increasingly opt for the electronic copy in order to save on production and distribution costs, and to reduce on paper/ink usage for environmental reasons.
